A CONCURRENT RESOLUTION COMMEMORATING THE FIFTIETH ANNIVERSARY OF THE MICHIGAN STATE UNIVERSITY SCHOOL OF CRIMINAL JUSTICE

House Concurrent Resolution No. 17

Offered by Representative Jondahl and Hollister and Senators DeSana, Vaughn, Smith, Faxon, Pollack, Arthurslutz, McCollough, Alan Cropsey and Harmon Cropsey

WHEREAS, The members of the Michigan Legislature are proud to extend official commendation and congratulation to the Michigan State University School of Criminal Justice upon the celebration of its fiftieth anniversary. With a Golden Jubilee celebration scheduled for the weekend of November 1, 1985, we are sure that many of the nearly 6,000 graduates of this world renowned program will be attending this prestigious event; and

WHEREAS, The founding of the Michigan State University School of Criminal Justice evolved from an awareness in the early 1930’s that a greater degree of training and professionalism was needed on the part of law enforcement officers. In Michigan, the State Crime Commission established by the Michigan Legislature in 1925 and the Michigan State Police spearheaded the drive for better trained police officers by approaching Michigan State University with a proposal to establish a police training program at the college level. In 1935, this proposal became a reality as thirty-nine students enrolled in the new program; and

WHEREAS, in its five decades of operation, the School of Criminal Justice, once known as the School of Police Administration, has educated nearly 6,000 students in a broad range of subject areas designed to further professionalize the law enforcement ranks. Regarded as one of the finest programs of its kind in the world, this school’s graduates have enjoyed careers in all phases of the criminal justice system, with many of them achieving great success and distinction. Certainly, the Michigan State University School of Criminal Justice can take its share of credit for the degree to which law enforcement, and indeed the entire criminal justice system, has enjoyed increasing development and sophistication; now, therefore, be it

RESOLVED BY THE HOUSE OF REPRESENTATIVES (the Senate concurring), That, by all present, we proudly join in commorating the fiftieth anniversary of the Michigan State University School of Criminal Justice; and be it

RESOLVED, That a copy of this resolution be transmitted to Michigan State University School of Criminal Justice; Director Robert C. Trojanowics as a small token of our high esteem and best wishes for the future.

President's Notes:
The Golden Jubilee Celebration
Ted Vernier ('57)
For the past year, the Board of Directors of the Criminal Justice Alumni Association has been finalizing plans for the GOLDEN JUBILEE celebration which will mark the 50th anniversary of the School of Criminal Justice at Michigan State University. I have had the pleasure of serving as president of the Alumni Association as it prepared for the Jubilee. I have been impressed and pleased with the support which came from alumni, professionals—friends of the School as they are known on-campus, and University staff including the Alumni Office, the Development Fund and the School itself. Everyone's enthusiasm was contagious; it reminded me that being an alum of the oldest existing (and best) criminal justice program in the United States is something to be proud of.

I hope you become as enthusiastic as the Board. This Newsletter contains detailed information about the GOLDEN JUBILEE CELEBRATION which will be held on October 31, November 1 and November 2, 1985. A registration form can be found on the last page; please complete and return it as soon as possible. Bruce Bensen, Deputy Chief of the Fizer Police Department and incoming president of the Alumni Association, and I are looking forward to seeing you at the Jubilee.

The Graduate Endowment

The Board of Directors of the Criminal Justice Alumni Association has been soliciting contributions for the GRADUATE ENDOWMENT for the past year. With the support of H. Slocum Knight, retired Director of the University Secret Service and the Jubilee Chair, and Art Brandstatter, Director Emeritus, alumni have been asked to help create a permanent gift commemorating the 50th anniversary of the School of Criminal Justice. Regional chairs have assisted the fund-raising campaign vigorously.

The School’s graduate program dates back to 1958. Some assistantships were provided from various grants for a limited period. The University has also provided assistantships funds commensurate with the current budget.

Even just fifteen years ago, the School of Criminal Justice at Michigan State had one of the few graduate programs of its kind in the country and the world. Today it is competing with several dozen graduate programs in other universities, some of which are well endowed. Since graduate student support has become important in all professional programs, it is vital to maintain leadership of the School of Criminal Justice.

Quality graduate education is expensive. Superior applicants shop around for an education, looking for both financial assistance and academic resources. The Golden Jubilee drive to develop an endowment fund for the graduate program is critical. The GRADUATE ENDOWMENT will provide dependable income with which to offer fellowships and assistantships to students who have exceptional prof, but potential. It will also help with library acquisitions, archival development and teaching.

The endowment campaign is a worthy, appropriate, and extremely important aspect of the 50th Anniversary. All alumni of the School are urged to support it as fully as possible. $30,000 has been pledged; the goal is $250,000.
