## ***THE SCHOOL OF CRIMINAL JUSTICE***

The School of Criminal Justice was established in 1935 as an academic program providing courses for those seeking careers in law enforcement. Graduate studies in the School of Criminal Justice began in 1956 with the Master of Science degree, followed by the Interdisciplinary Doctoral Program in 1968 and the Doctorate in Criminal Justice in 2001. In 1970, the School's name was changed from the School of Police Administration and Public Safety to the School of Criminal Justice to reflect the new emphasis on the entire system of justice in the United States. Housed in the College of Social Science, the School of Criminal Justice has evolved to provide exemplary undergraduate and graduate programs in which students and faculty apply the theories and methods of science to understanding and solving critical policy issues in both the criminal justice and private security fields.

### ***PROGRAM OVERVIEW***

The Criminal Justice Masters program at Michigan State University provides students with analytic skills, an interdisciplinary knowledge base, and both classroom and practical understanding of the settings where correctional, law enforcement, and security policies are implemented. The School of Criminal Justice offers a number of different Masters programs: Criminal Justice, Criminal Justice with specializations in Security Management and Judicial Administration, and two online Masters program.

Faculty and students in the School of Criminal Justice bring to the program a wide variety of histories and academic backgrounds, which provides exciting exposure to practical experiences and a depth of academic knowledge. The program integrates theory and application through case materials and classroom guest speakers, as well as internship opportunities.

Individuals who wish to pursue a career in criminal justice research and teaching will have a strong foundation for advanced graduate studies based on the program's combined emphasis on research, critical issues, and interdisciplinary theory.

The Masters degree program provides students with both management and academic skills necessary to administer criminal justice and security programs and to complete either a policy assessment or a research project. The program serves people who work as professionals or will seek professional positions in the justice system, as well as students who will continue their education through doctoral study. A thesis option for completing the Masters program is available to all students, and is strongly recommended for entry into the doctoral program. In the Masters degree program, students obtain an in-depth understanding of the entire criminal justice system. In addition, a specialization is available in security management.

Students preparing for work or further research in industry (specifically, industrial security) or government can complete course work with the Master of Public Policy and Administration Program in the Department of Political Science. Students pursuing this option should consult with the graduate advisor in the selection of course work and in meeting other program requirements.

### ***PROGRAM COMPONENTS***

The program of each student shall consist of a minimum of 24 semester credits of course work beyond the bachelor's degree and 6 credits of thesis research totaling a minimum of 30 semester credits.

By the end of the student's first year of study, the student should decide whether he or she will be completing a thesis (Plan A) or policy paper (Plan B). If the student chooses Plan A, he or she must submit and defend a thesis proposal before beginning research. If the student chooses Plan A, he or she must submit and defend a thesis reflecting original research focusing on a significant problem or issue in criminal justice. The oral defense and submission of the thesis must be completed within six years from the

time of first enrollment as a masters student. The student will need to select a criminal justice faculty advisor who will serve as the chairperson on the thesis committee.

## ***ADMISSION REQUIREMENTS***

While a criminal justice undergraduate major is not required for admission to the program, the applicant must have a background of education and occupational experience appropriate to the successful pursuit of graduate work in the School of Criminal Justice. Applicants insufficiently prepared for graduate studies in criminal justice may be required to complete collateral coursework or pursue individualized study.

A limited number of applicants who do not satisfy the School's regular admission requirements may be admitted on a provisional basis at the discretion of the department. A student may be enrolled on a provisional basis for only two semesters; the student's status must be changed to regular to be considered a degree candidate.

In addition to all other application material, international applicants must submit TOEFL scores. Applicants must score at least 550 on the non-computer based TOEFL. Those taking the Internet TOEFL must score at least 80 overall, with no subscore below 19 for reading, listening, and speaking; no writing subscore below 22. Students from primarily English-speaking countries may have this requirement waived.

Application forms and instructions can be found at <http://cj.msu.edu/programs/masters/> under the orange Apply tab. If admission is offered, it cannot be deferred for more than one year.

## ***FORMATION OF THE GUIDANCE COMMITTEE***

During the first semester following admission to the masters program, students should familiarize themselves with faculty and their areas of interest, with the view to consider one of them as a potential guidance committee chair. Before the guidance committee is formed, any questions relating to coursework or program requirements may be directed to the Director of Graduate Studies, Dr. Mahesh Nalla (nalla@msu.edu). If you are planning to complete a thesis, you will need two regular criminal justice faculty members in addition to the chairperson to serve as committee members. You should notify the graduate secretary as soon as you have identified the members of your thesis committee.

The guidance committee chair will be responsible for assisting the student with the following:

- Help select the remainder of the committee
- Help design a timeline for the completion of degree
- Meet with student at least once a semester to evaluate the student's progress
- Engage the student in intellectual exploration of the research interest with specific focus on theory and method
- Engage the student in inquiry of subject matter that leads to the formulation of research questions
- Provide guidance with literature review
- Provide feedback on various drafts of the thesis in a timely manner
- Faculty is expected allow adequate time in their schedule for guiding students engaged in thesis planning and research

The student is responsible for the following:

- Develop general framework for conducting original independent research that meets the expectations for degree fulfillment
- Request that a faculty member serve as thesis chair
- Provide the chair with an approximate timeline for completion of research and defense of thesis (see Thesis Proposal, page 5)
- Plan to complete various phases of thesis research and defense in a timely manner

On occasion, a committee member is unable to serve any longer (e.g., retires, leaves MSU) and must be replaced. The student will be responsible for notifying the graduate coordinator of any change in the constitution of the guidance committee.

An exception may be granted by the Dean of the Graduate School to allow a non-tenure stream faculty member or an Academic Specialist to serve on a Masters student's examination committee or as the thesis advisor. To request to have non-tenure faculty or academic specialists serve on your Graduate Student Committee, the following materials must be submitted together as a complete packet:

- Letter from Chairperson of the School of Criminal Justice, with supporting signature from the Dean of the College of Social Science, to the Dean of the Graduate School, requesting that the individual serve on any student committee in that department or for a specific student and why the person is appropriate (e.g. special expertise). Only in very special circumstances will a person be approved to serve as a chair for an individual students (not blanket approval). Please provide extra justification of service as a guidance committee chair.
- Letter from the individual summarizing his/her background and qualifications to serve as a member of a graduate student committee
- Copy of the individual's vita and individual's email address.
- Two letters of reference that speak to the person's qualification to serve on graduate student committees. One letter may be from an MSU faculty member, **but at least one letter must be from an external source**.

Submit total package to Dean Karen Klomparens, The Graduate School, 110 Linton Hall, Michigan State University, East Lansing, Michigan, 48824.

### ***THESIS PROPOSAL***

The thesis proposal should be submitted to the student's thesis committee chair for approval at least three weeks before the proposal defense is scheduled. It should be approximately 20 pages long and include the following sections:

- Introduction – outlines the project and your reasons for doing it
- Literature review – a review of the most important articles that describe what has already been done in this field and how they contribute to your work. This section should also include your theoretical framework.
- Methods, materials and equipment to be utilized in the project
- A timeline for the research – the data you expect to collect and over what period of time it will be collected.
- Expected results
- The anticipated contribution this project will make to criminal justice

Students should check with their thesis committee chair to determine whether he/she has additional requirements.

### ***PLAN B – POLICY PAPER***

No committee is required for a policy paper. All necessary faculty approval is provided in the required course, CJ 896.

### ***THESIS DEFENSE***

*The student must be enrolled in at least one credit the semester in which the thesis is defended.* The student must also speak to the graduate secretary regarding the scheduling of a room for the confirmed date and the required forms to be signed by committee members at the thesis defense.

The student should obtain an up-to-date guide for the preparation of the thesis from the Graduate School, 118 Linton Hall, or <http://grad.msu.edu/etd/>. A final copy of the thesis must be submitted electronically to MSU

via ProQuest/UMI. Students should ask their chair if they would like a physical copy, and if so, whether hardbound or spiral-bound.

The target date for the **FINAL APPROVAL** of an electronic Thesis or Dissertation to the Graduate School for graduating the semester of that submission is FIVE working days prior to the first day of classes for the next semester. **Be aware that a submission via ProQuest does not mean that the document has been ACCEPTED.** The review process is interactive and final approval can take anywhere from a few hours to weeks, depending upon the extent of the necessary revisions and how diligent the author is when making the necessary revisions. **Graduation on the semester of the electronic submission is only guaranteed if the document is APPROVED on or before the target date for that semester**

Particular attention should be paid to the academic calendar when considering dates for the oral defense. In general, the defense should not be scheduled during the summer semester. If a student must defend at that time, he or she should obtain written consent from all committee members prior to May 1. Written consent implies that the committee members will be present at the defense.

### ***CHECKLIST FOR COMPLETION OF DEGREE***

There are a number of things students should consider when preparing to graduate.

- Be enrolled in at least one credit the semester in which the thesis is defended. Students do not need to be enrolled the semester in which they graduate.
- Apply to graduate the first week of semester in which you intend to graduate (this may be done online at <http://www.reg.msu.edu/StuForms/GradApp/GradApp.asp>). If you intend to graduate in Summer semester, please apply to graduate during the first week of Spring semester.
- Check with graduate secretary to make sure all requirements have been met, and that all necessary forms have been signed and forwarded to the appropriate offices. Please do this early in the semester.
- Visit <http://grad.msu.edu/etd/> for information about formatting and submitting your thesis. Graduation and commencement information can be found at <http://commencement.msu.edu/>.
- Determine date and time of defense, and confirm with all committee members. Notify the graduate secretary so she may assist in reserving a room and any necessary equipment (laptop, LCD projector) for the defense.
- Defend thesis and complete any required revisions.
- Submit thesis electronically via ProQuest/UMI at [www.etdadmin.com/grad.msu](http://www.etdadmin.com/grad.msu). Please see deadlines at <http://grad.msu.edu/etd/dates.aspx>.

### ***EXIT SURVEY***

A new short online exit survey for all students graduating with a Plan A or Plan B masters or with a Doctoral degree was introduced May 9<sup>th</sup> of 2011. Only students who have applied for graduation will have access to the survey. The survey asks questions about educational experiences in MSU graduate programs, as well as about immediate professional plans. The Graduate School uses data from this survey when reviewing graduate programs and to guide decisions about services and initiatives for graduate students.

The identity of all respondents will be kept confidential and only aggregate (group) information will be made available to faculty and administrators. The students will receive an e-mail message from the dean of the graduate school with a link to the survey. However, students do not need to wait for that e-mail message to complete the survey after applying for graduation. It takes about 5-10 minutes to complete the online survey. Below are the instructions for completing the survey and they are also available from <http://grad.msu.edu/etd/>

### **Instructions for students:**

- Access the following website:
  - Doctoral Students: <https://www.egr.msu.edu/doctoral/survey/>
  - Master's Students: <https://www.egr.msu.edu/masters/survey/>
- Enter your MSU NetID (Login Name) and Password
- Complete all the items on the survey. When finished, click **Submit**.

If you cannot open this survey, please contact Katey Smagur by email at [smagurka@msu.edu](mailto:smagurka@msu.edu), and include your name, student ID #, degree level (PhD, MA/MS) and semester of graduation. You will then be notified when you are able to complete the survey.

### ***DEPARTMENTAL POLICIES***

#### ***ACADEMIC PERFORMANCE***

Masters students must maintain a GPA of at least 3.0 throughout their program of study. The accumulation of grades below 3.0 (including N grades in the P-N grading system) in more than two semester courses of three or more credits each removes the student from candidacy for the degree. The student may also be removed from the program if they are not progressing at the appropriate rate.

Students may also be removed from candidacy for the degree for the following: theft or misuse of University property, insubordination, intellectual dishonesty, or violation of law and/or University rules and regulations.

#### ***GRIEF ABSENCE POLICY (as approved by University Council)***

For master's (Plan A), master's (Plan B) with research responsibilities, and doctoral students, it is the responsibility of the student to: a) notify their advisor/major professor and faculty of the courses in which they are enrolled of the need for a grief absence in a timely manner, but no later than one week from the student's initial knowledge of the situation, b) provide appropriate verification of the grief absence as specified by the advisor/major professor and faculty, and c) complete all missed work as determined in consultation with the advisor/major professor and faculty. It is the responsibility of the advisor/major professor to: a) determine with the student the expected period of absence – it is expected that some bereavement processes may be more extensive than others depending on individual circumstances, b) receive verification of the authenticity of a grief absence request upon the student's return, and c) make reasonable accommodations so that the student is not penalized due to a verified grief absence. If employed as a RA or TE, the graduate student must also notify their employer. Both employer and student will swiftly communicate to determine how the student's responsibilities will be covered during their absence. Graduate teaching assistants (TAs) should refer to the bereavement policy in the MSU GEU CBU Article 18. Students in the graduate professional colleges (CHM, COM, CVM, LAW) with their own grief absence policies are excluded from the above and should follow their own policies. Students who believe their rights under this policy have been violated should contact the University Ombudsperson.

## ***HUMAN RESEARCH PROTECTION PROGRAM***

The Human Research Protection program is an Institutional Review Board (IRB). Federal and University regulations require that all research projects involving human subjects be reviewed and approved by an IRB **before initiation**. All thesis projects must receive UCRIHS approval, even those that do not have direct contact with human subjects (such as secondary data sources). Under the regulations, research is defined as a formal investigation designed to develop or contribute to generalizable knowledge. A human subject of research is an individual (1) from whom an investigator obtains data or (2) about whom the researcher obtains confidential information.

Faculty and students must submit the proper forms when the research they will undertake will include actively gathering the data from human subjects as described above, and/or use of either current or established data of human subjects gathered at a previous time. Failure to do so could result in rejection of your thesis by the Graduate School. Before a graduate student begins any research project, the student should consult with his or her faculty advisor or chair of the guidance committee. For more information about the review process, contact the Human Research Protection office at 517-355-2180, [irb@msu.edu](mailto:irb@msu.edu), or go to 202 Olds Hall. You may also find information at [www.humanresearch.msu.edu](http://www.humanresearch.msu.edu).

## ***INTEGRITY AND SAFETY IN RESEARCH AND CREATIVE ACTIVITIES***

*(an excerpt from the Guidelines for Integrity in Research and Creative Activities)*

The conduct of research and creative activities by faculty, staff, and students is central to the mission of Michigan State University and is an institutional priority. Faculty, staff, and students work in a rich and competitive environment for the common purpose of learning, creating new knowledge, and disseminating information and ideas for the benefit of their peers and the general public. The stature and reputation of MSU as a research university are based on the commitment of its faculty, staff, and students to excellence in scholarly and creative activities and to the highest standards of professional integrity. As a partner in scholarly endeavors, MSU is committed to creating an environment that promotes ethical conduct and integrity in research and creative activities.

Innovative ideas and advances in research and creative activities have the potential to generate professional and public recognition and, in some instances, commercial interest, and financial gain. In rare cases, such benefits may become motivating factors to violate professional ethics. Pressures to publish, to obtain research grants, or to complete academic requirements may also lead to an erosion of professional integrity.

Breaches in professional ethics range from questionable research practices to misconduct. The primary responsibility for adhering to professional standards lies with the individual scholar. It is, however, also the responsibility of advisors and of the disciplinary community at large. Passive acceptance of improper practices lowers inhibitions to violate professional ethics.

Integrity in research and creative activities is based not only on sound disciplinary practice but also on a commitment to basic personal values such as fairness, equity, honesty, and respect. These guidelines are intended to promote high professional standards by everyone- faculty, staff, and students alike.

Integrity in research and creative activities embodies a range of practices that includes:

- Honesty in proposing, performing, and reporting research
- Recognition of prior work
- Confidentiality in peer review
- Disclosure of potential conflicts of interest

- Compliance with institutional and sponsor requirements
- Protection of human subjects and humane care of animals in the conduct of research
- Collegiality in scholarly interactions and sharing of resources
- Adherence to fair and open relationships between senior scholars and their coworkers

Please see <http://grad.msu.edu/researchintegrity/> for more information.

## ***ACADEMIC GRIEVANCE HEARING PROCEDURES***

Each right of an individual places a reciprocal duty upon others: the duty to permit the individual to exercise the right. The student, as a member of the academic community, has both rights and duties. Within that community, the student's most essential right is the right to learn. The University has a duty to provide for the student those privileges, opportunities, and protections which best promote the learning process in all its aspects. The student also has duties to other members of the academic community, the most important of which is to refrain from interference with those rights of others which are equally essential to the purposes and processes of the University. (GSRR Article 1.2)

---

The *Michigan State University Student Rights and Responsibilities (SRR)* and the *Graduate Student Rights and Responsibilities (GSRR)* documents establish the rights and responsibilities of MSU students and prescribe procedures to resolve allegations of violations of those rights through formal grievance hearings. In accordance with the SRR and the GSRR, the School of Criminal Justice has established the following Hearing Board procedures for adjudicating graduate student academic grievances and complaints. (See GSRR 5.4.)

### ***I. JURISDICTION OF THE SCHOOL OF CRIMINAL JUSTICE HEARING BOARD:***

- A. The Hearing Board serves as the initial Hearing Board for academic grievance hearings involving graduate students who allege violations of academic rights or seek to contest an allegation of academic misconduct (academic dishonesty, violations of professional standards or falsifying admission and academic records). (See GSRR 2.3 and 5.1.1.)
- B. Students may not request an academic grievance hearing based on an allegation of incompetent instruction. (See GSRR 2.2.2)

### ***II. COMPOSITION OF THE HEARING BOARD:***

- A. The Program shall constitute a Hearing Board pool no later than the end of the tenth week of the spring semester according to established Program procedures. Hearing Board members serve one year terms with reappointment possible. The Hearing Board pool should include both faculty and graduate students. (See GSRR 5.1.2 and 5.1.6.) Faculty serving as Undergraduate Coordinator, Graduate Coordinator, Associate Director, or Director in the School of Criminal Justice are not eligible to serve on the Hearing Board.
- B. The Chair of the Hearing Board shall be the faculty member with rank who shall vote only in the event of a tie. The Chair of the Hearing Board will be appointed by the

Director. In addition to the Chair, the Hearing Board shall include an equal number of voting graduate students and faculty. (See GSRR 5.1.2, and 5.1.5.)

- C. The Hearing Board will consist of a minimum of 5 members (i.e., 1 faculty serving as chair, 2 faculty, 2 students).
- D. The Program will train hearing board members about these procedures and the applicable sections of the GSRR. (See GSRR 5.1.3.)

### ***III. REFERRAL TO THE HEARING BOARD:***

- A. After consulting with the instructor and appropriate unit administrator, graduate students who remain dissatisfied with their attempt to resolve an allegation of a violation of student academic rights or an allegation of academic misconduct (academic dishonesty, violations of professional standards or falsifying admission and academic records) may request an academic grievance hearing. When appropriate, the Department Chair, in consultation with the Dean, may waive jurisdiction and refer the request for an initial hearing to the College Hearing Board. (See GSRR 5.3.6.2.)
- B. At any time in the grievance process, either party may consult with the University Ombudsperson. (See GSRR 5.3.2.)
- C. In cases of ambiguous jurisdiction, the Dean of The Graduate School will select the appropriate Hearing Board for cases involving graduate students. (See GSRR 5.3.5.)
- D. Generally, the deadline for submitting the written request for a hearing is the middle of the next semester in which the student is enrolled (including Summer). In cases in which a student seeks to contest an allegation of academic misconduct and the student's dean has called for an academic disciplinary hearing, the student has **10** class days to request an academic grievance to contest the allegation. (See GSRR 5.3.6.1 and 5.5.2.2.)
- E. If either the student (the complainant) or the respondent (usually, the instructor or an administrator) is absent from the university during that semester, or if other appropriate reasons emerge, the Hearing Board may grant an extension of this deadline. If the university no longer employs the respondent before the grievance hearing commences, the hearing may proceed. (See GSRR 5.4.9.)
- F. A written request for an academic grievance hearing must (1) specify the specific bases for the grievance, including the alleged violation(s), (2) identify the individual against whom the grievance is filed (the respondent) and (3) state the desired redress. Anonymous grievances will not be accepted. (See GSRR 5.1 and 5.3.6.)

### ***IV. PRE-HEARING PROCEDURES***

- A. After receiving a graduate student's written request for a hearing, the Chair of the Department will promptly refer the grievance to the Chair of the Hearing Board. (See GSRR 5.3.2, 5.4.3.)
- B. Within **5** class days, the Chair of the Hearing Board will:

1. forward the request for a hearing to the respondent and ask for a written response;
  2. send the names of the Hearing Board members to both parties and, to avoid conflicts of interest between the two parties and the Hearing Board members, request written challenges, if any, within **3** class days of this notification. In addition to conflict of interest challenges, either party can challenge two hearing board members without cause (GSRR 5.1.7.c);
  3. rule promptly on any challenges, impanel a Hearing Board and send each party the names of the Hearing Board members. If the Chair of the Hearing Board is the subject of a challenge, the challenge shall be filed with the Dean of the College, or designee (See GSRR 5.1.7.). Decisions by the Hearing Board chair or the College Dean (or designee) on conflict of interest challenges are final;
  4. send the Hearing Board members a copy of the request for a hearing and the respondent's written response, and send all parties a copy of these procedures.
- C. Within **5** class days of being established, the Hearing Board shall review the request, and, after considering all requested and submitted information:
1. accept the request, in full or in part, and promptly schedule a hearing.
  2. reject the request and provide a written explanation to appropriate parties; e.g., lack of jurisdiction. (The student may appeal this decision.)
  3. the GSRR allows the hearing board to invite the two parties to meet with the Hearing Board in an informal session to try to resolve the matter. Such a meeting does not preclude a later hearing. However, by the time a grievance is requested all informal methods of conflict resolution should have been exhausted so this option is rarely used. (See GSRR 5.4.6.)
- D. If the Hearing Board calls for a hearing, the Chair of the Hearing Board shall promptly negotiate a hearing date, schedule an additional meeting only for the Hearing Board should additional deliberations on the findings become necessary.
- E. At least **5** class days before the scheduled hearing, the Chair of the Hearing Board shall notify the respondent and the complainant in writing of the (1) time, date, and place of the hearing; (2) the names of the parties to the grievance; (3) a copy of the hearing request and the respondent's reply; and (4) the names of the Hearing Board members after any challenges. (See GSRR 5.4.7.)
- F. At least **3** class days before the scheduled hearing, the parties must notify the Chair of the Hearing Board the names of their witnesses and advisor, if any, and request permission for the advisor to have voice at the hearing. The chair may grant or deny this request. The Chair will promptly forward the names given by the complainant to the respondent and visa versa. (See GSRR 5.4.7.1.)

- G. The Chair of the Hearing Board may accept written statements from either party's witnesses at least **3** class days before the hearing. (See GSRR 5.4.9.)
- H. In unusual circumstances and in lieu of a personal appearance, either party may request permission to submit a written statement to the Hearing Board or request permission to participate in the hearing through an electronic communication channel. Written statements must be submitted to the Hearing Board at least **3** class days before the scheduled hearing. (See GSRR 5.4.9c.)
- I. Either party to the grievance hearing may request a postponement of the hearing. The Hearing Board may either grant or deny the request. (See GSRR 5.4.8.)
- J. At its discretion, the Hearing Board may set a reasonable time limit for each party to present its case, and the Chair of the Hearing Board must inform the parties of such a time limit in the written notification of the hearing.
- K. Hearings are closed unless the student requests an open hearing, which would be open to all members of the MSU community. The Hearing Board may close an open hearing to protect the confidentiality of information or to maintain order. (See GSRR 5.4.10.4.)
- L. Members of the Hearing Board are expected to respect the confidentiality of the hearing process. (See GSRR 5.4.10.4.and 5.4.11.)

**V. *HEARING PROCEDURES:***

- A. The Hearing will proceed as follows:
  - 1. Introductory remarks by the Chair of the Hearing Board: The Chair of the Hearing Board introduces hearing panel members, the complainant, the respondent and advisors, if any. The Chair reviews the hearing procedures, including announced time restraints for presentations by each party and the witnesses, and informs the parties if their advisors may have a voice in the hearings and if the proceedings are being recorded. ## **VI. POST-HEARING PROCEDURES**

### **A. Deliberation:**

After all evidence has been presented, with full opportunity for explanations, questions and rebuttal, the Chair of the Hearing Board shall excuse all parties to the grievance and convene the Hearing Board to determine its findings in executive session. When possible, deliberations should take place directly following the hearing and/or at the previously scheduled follow-up meeting. (See Section IV.D above.)

### **B. Decision:**

1. In grievance (non-disciplinary) hearings involving graduate students in which a majority of the Hearing Board finds, based on "clear and convincing evidence," that a violation of the student's academic rights has occurred and that redress is possible, it shall recommend an appropriate remedy to the Department Chair or School Director. Upon receiving the Hearing Board's recommendation, the Department Chair or School Director shall implement an appropriate remedy, in consultation with the Hearing Board, within **3** class days. If the Hearing Board finds that no violation of academic rights has occurred, it shall so inform the Chair or Director. The Chair of the Hearing Board shall promptly forward copies of the final decision to parties and the University Ombudsperson. (See GSRR 5.4.11.)
2. In grievance (non-disciplinary) hearings involving graduate students in which the Hearing Board serves as the initial hearing body to adjudicate an allegation of academic dishonesty and, based on "clear and convincing evidence," the Hearing Board finds for the student, the Hearing Board shall recommend to the Department Chair or School Director that the penalty grade be removed, the Academic Dishonesty Report be removed from the student's records and a "good faith judgment" of the student's academic performance in the course take place. If the Hearing Board finds for the instructor, the penalty grade shall stand and the Academic Dishonesty Report regarding the allegation will remain on file, pending an appeal, if any, to the College Hearing Board within **5** class days of the Hearing Board's decision. If an academic disciplinary hearing is pending, and the Hearing Board decides for the instructor, the graduate student's disciplinary hearing before either the College Hearing Board or the Dean of The Graduate School would promptly follow, pending an appeal, if any, within **5** class days. (See GSRR 5.5.2.2 and 5.4.12.3)

### **C. Written Report:**

The Chair of the Hearing Board shall prepare a written report of the Hearing Board's findings, including recommended redress or sanctions for the complainant, if applicable, and forward a copy of the decision to the appropriate unit administrator within **3** class days of the hearing. The report shall indicate the rationale for the decision and the major elements of evidence, or lack thereof, that support the Hearing Board's decision. The administrator, in consultation with the Hearing Board, shall then implement an appropriate remedy. The report also should inform the parties of the right to appeal within **5** class days following notice of the decision, or **5** class days if an academic disciplinary hearing is pending. The Chair shall forward copies of the Hearing Board's report and the administrator's redress, if applicable, to the parties involved, the responsible administrators, the University Ombudsperson and the Dean of The Graduate School. All recipients must respect the confidentiality of the report and of the hearing board's deliberations resulting in a decision. (See GSRR 5.4.12 and 5.5.2.2)

**VII. APPEAL OF THE HEARING BOARD DECISION:**

- A. Either party may appeal a decision by the Hearing Board to the College Hearing Board for cases involving (1) academic grievances alleging violations of student rights and (2) alleged violations of regulations involving academic misconduct (academic dishonesty, professional standards or falsification of admission and academic records.) (See GSRR 5.4.12.)
- B. All appeals must be in writing, signed and submitted to the Chair of the College Hearing Board within **5** class days following notification of the Hearing Board's decision. While under appeal, the original decision of the Hearing Board will be held in abeyance. (See GSRR 5.4.12, 5.4.12.2 and 5.4.12.3.)
- C. A request for an appeal of a Hearing Board decision to the College Hearing Board must allege, in sufficient particularity to justify a hearing, that the initial Hearing Board failed to follow applicable procedures for adjudicating the hearing or that findings of the Hearing Board were not supported by "clear and convincing evidence." The request also must include the redress sought. Presentation of new evidence normally will be inappropriate. (See GSRR 5.4.12.1, 5.4.12.2 and 5.4.12.4.)

**VIII. RECONSIDERATION:**

If new evidence should arise, either party to a hearing may request the appropriate Hearing Board to reconsider the case within **30** days upon receipt of the hearing outcome. The written request for reconsideration is to be sent to the Chair of the Hearing Board, who shall promptly convene the Hearing Board to review the new material and render a decision on a new hearing. (See GSRR 5.4.13.)

**IX. FILE COPY:**

The Chair of the Department shall file a copy of these procedures with the Office of the Ombudsperson and with the Dean of The Graduate School. (See GSRR 5.4.1.)

### ***GRADUATE ASSISTANTSHIPS***

Graduate assistantships are awarded on a competitive basis for incoming masters and doctoral students. All assistantships are dependent on the availability of funds. They may be renewed if funds are available and the student is making satisfactory progress toward the degree and has received satisfactory evaluations from the supervising faculty member.

Students receiving these awards provide support for the School's teaching and research. The graduate assistant's responsibilities require 10 hours per week for a quarter-time appointment, 20 hours per week for a half-time appointment, and 30 hours per week for a three-quarter-time appointment. Graduate assistants are provided a monthly stipend, a nine-credit tuition waiver for each semester the assistantship is held (five-credit tuition waiver for summer semester), with in-state tuition rates for any credits above those waived, and student health insurance. Matriculation fees are waived.

Graduate assistants are expected to be on campus during the length of the appointment. Days off should be discussed with the student's supervisor well in advance, and makeup time scheduled. Appointment dates will be as follows:

Fall Semester – August 16 through December 31

Spring Semester – January 1 through May 15

Summer Semester – May 16 through August 15

There are three levels of stipend rates, which are determined by University regulation.

- Level 1 requires that each of the following 3 criteria be met:
  - admitted MSU graduate student
  - bachelor's degree
  - less than two semester's experience as a graduate assistant or full-support fellow.
- Level 2 is required when each of the following 3 criteria is met:
  - admitted MSU graduate student
  - master's degree (a JD or LLB is equivalent to masters in determining level);
    - OR 30 or more grad semester credits or equivalent;
    - OR at least two semester's experience as a graduate assistant or full-support fellow.
  - level 3 required criteria have not been met
- Level 3 is required for Teaching (T) when each of the following 3 criteria is met:
  - admitted MSU graduate student
  - a master's degree or equivalent.
  - The graduate assistant experience must be in the employing unit or in a department considered relevant by the chairperson or employing unit. The minimum number of semesters shall be four (4), five (5) or six (6) but in any case no greater than department's current practice as stipulated in 2004

- Level 3 is required for Research (R) or Teaching (TE) assistants when each of the following 3 criteria are met:
  - admitted MSU graduate student.
  - successful completion of doctoral comprehensive exams, as defined by the department in which the student is enrolled
  - 6 semesters as a graduate Research/Teaching (R/TE) assistant at MSU, or equivalent. The definition of equivalence is left to the discretion of the chairperson of the appointing unit, but it is expected that only experience in research-oriented assignments count toward the 6 semesters of experience as an RA.

(Level 3 is not acceptable for Research (R) or Teaching (TE) unless all 3 criteria listed above are met.)

Checks are distributed on a biweekly basis. Changes in stipend or percentage of time become effective only at the beginning of a semester.

Support sources come in five main types:

- Teaching assistantships eligible to join the Graduate Employees Union (TA)
- Teaching assistantships not eligible to join the Graduate Employees Union (TE)
- Research assistantships (RA)
- MSU fellowships
- External fellowships

Student offered a teaching assistantship (TA) must decide whether to join the Graduate Employees Union (GEU). Please visit [www.geuatmsu.org](http://www.geuatmsu.org) for more information about the GEU. The student will be given a card on which to indicate their decision at the beginning of the first semester in which they are eligible to join. Dues-paying TAs need only sign a GEU card once (unless they wish to change to paying fees) during their graduate careers. Fees-paying TAs need to sign a card once a year. *If a TA does not fill out a union card, the assistantship may be revoked.* TEs and RAs are not currently required to fill out this form.

Graduate assistants must be registered each semester in which they hold graduate assistantships. The minimum and maximum credit-loads are as follows:

1. For a quarter-time Masters graduate assistant, minimum enrollment is 6 credits (including credits in CJ 899); maximum enrollment is 12 credits (excluding credits in CJ 899).
2. For a half-time graduate assistant, minimum enrollment is 6 credits (including credits in CJ 899); maximum enrollment is 12 credits (excluding credits in CJ 899).
3. For a three-quarter-time graduate assistant, minimum enrollment is 3 credits (including credits in CJ 899); maximum enrollment is 8 credits (excluding credits in CJ 899).

A more detailed description of assistantship benefits and regulations may be found in Michigan State University's *Academic Programs*, Financial Aid for Graduate Students section (available at <http://www.reg.msu.edu/AcademicPrograms/Text.asp?Section=111#s353>), and the Graduate School website at <http://grad.msu.edu/funding/>.

**Mandatory Training:** All TAs and RAs must complete the on-line training about the Relationship Violence and Sexual Misconduct Policy. To Access the training, login to the ORA training website at: <http://goo.gl/pLh01o>. Click "Register," "Complete Registration" and then "Launch" to begin the Relationship Violence and Sexual Misconduct (RVSM) Policy - Faculty, Staff Training. (If it indicates that you have already registered, use "In Progress Training", then "Launch.>"). You will want to reserve approximately 30 minutes to complete all assignments. If you need assistance, contact the Helpdesk at 517-884-4600 or [train@ora.msu.edu](mailto:train@ora.msu.edu).

### ***MSU NETID***

MSU students receive centrally funded NetIDs so they can utilize various electronic resources and electronic mail. Students must activate their MSU NetID in order to:

- Receive official communications from MSU that are sent to students by email only
- publish a personal webpage
- access public computer labs
- access electronic resources on campus

You will need your PID (Personal Identification Number) and your PAN (Personal Access Number) to activate your MSU NetID. Please visit [www.netid.msu.edu](http://www.netid.msu.edu) for more information.

### ***STUDENT IDENTIFICATION CARD***

Identification cards may be obtained in 170 International Center and will be issued following the student's initial enrollment. Picture ID is required. Library privileges, access to University buildings, facilities and classrooms, and purchase of tickets and entry into athletic and entertainment events may require the possession and presentation of the ID card upon request.

Information about the cards can be found at [www.idcard.msu.edu](http://www.idcard.msu.edu).

Questions concerning Michigan State University ID cards should be addressed to [idcard@msu.edu](mailto:idcard@msu.edu) or 517-355-4500.

### ***TIME LIMIT***

Students must complete the Masters degree within six years. The semester in which the first class that can be applied to the degree is taken is considered the student's first semester in the program.

### ***TRANSFER CREDITS***

As many as nine semester credits of graduate course work (excluding research and thesis credits) may be transferred into the Masters program from other accredited institutions with Masters programs. The student must have received at least a 3.0 in the course and we must receive a course description, a syllabus, course transcript, and information which will assist in determining if the course(s) taken meet the course requirements in this program. A combination of graduate course work and MSU Lifelong Education credits can also be considered, not to exceed nine credits total. Please see the graduate advisor for procedures.

### ***WITHDRAWAL FROM THE UNIVERSITY***

A student who wishes to withdraw from the university should contact the Office of Student Affairs, 201 Berkey Hall, in the College of Social Science. Students will be advised of the academic consequences of withdrawing and the method for applying for readmission. A "Voluntary Withdrawal" form must be completed and signed by the student.

Students may withdraw from the university through the 12<sup>th</sup> week of the semester. A student may withdraw before the middle of the semester without a grade reported. Withdrawal after the middle of the semester through the 12<sup>th</sup> week of the semester will result in a grade being reported. Please check the university's academic calendar at [www.reg.msu.edu](http://www.reg.msu.edu) for specific dates.

In case of such emergency that a student is not able to report in person to the Office of Student Affairs, 201 Berkey Hall, an agent of the student (parent, partner or spouse) may contact Student Affairs personnel.
