ACADEMIC INTEGRITY: A CORE VALUE AT MICHIGAN STATE UNIVERSITY

ACADEMIC integrity and responsibility are fundamental values in a community of scholars. Doing your own work – and taking responsibility for that work – allows you to test your own abilities and receive honest feedback. Honesty and integrity within the University are fundamental to building the trust that is required for students and faculty to thrive and learn from one another. Violating this social contract erodes this trust. As students new to the university, it is important to be aware of your responsibilities as members of the MSU academic community.

[Academic Integrity at Michigan State University](#)

[Personal Integrity and Conduct](#)

[Integrity of Scholarship and Grades](#)

Please refer to the complete policy on Integrity of Scholarship and Grades located in the Academic Programs catalog at <https://www.reg.msu.edu/AcademicPrograms/Text.asp?Section=112#s534>.

It is also important to understand that cheating and plagiarizing are considered fraud – a crime punishable by law enforcement outside the university. To clarify policies and procedures concerning academic integrity and academic misconduct at Michigan State University, visit the Ombudsperson at MSU (129 N. Kedzie Hall, 354 Farm Lane) or the Ombudsperson’s web site: <http://ombud.msu.edu/>. All questions are welcome and inquiries may be made online through a secure server.
